

The pictures below were discovered in a collection of pictures that once belonged to Sarah Marena McLawhorn Braxton, wife of John Warren Braxton. Sarah and John were born, raised, and died in the surrounding areas of Ayden, Pitt County, North Carolina.

Best guess is the pictures were taken in the late 1800s and the individuals may have been either Braxton's or McLawhorn's. Anyone having any information about either of the pictures, please contact Kenny Guy Braxton at [kennybraxton@msn.com](mailto:kennybraxton@msn.com)
